"The records shall include the official USDA tag number or tattoo assigned to a dog or cat under Sections 2.50 and 2.54."

The tattoo numbers are not recorded for seven dogs in kennel. The Record of Acquisition and Dogs and Cats on Hand (APHIS form 7005) does not list the tattoo number for 4 female yorkies, 1 male yorkie, 1 male shih tzu, and 1 male bichon. Need to record the tattoo number for all dogs in kennel on APHIS form 7005.
